

ENZIAN THEATER – POPCORN FLICKS IN THE PARK
Report to the City of Winter Park
January 2019 – December 2019

For the last 17 years, Enzian has partnered with the City of Winter Park to provide free, family-friendly films outdoors in beautiful Central Park. This popular program has become a Winter Park tradition, with couples, families, visitors, and residents alike spreading their blankets and lawn chairs on the grass to enjoy an evening in the park with friends and a fun film. Enzian provides all the technical aspects of the presentation, including selecting and obtaining each film; hosting (or “emceeing”); and transportation, set-up, and take-down of the outdoor screen, projection equipment, and sound equipment. The films are promoted jointly by Enzian and the City. During 2019, the following films were shown through this series:
